Our Philosophy

Our philosophy is rooted in the belief that India's economic and social progress is driven by the strength of its private sector. We recognize that businesses play a crucial role in fostering development, creating opportunities, and uplifting the communities they operate in.

By investing in people, supporting local enterprises, and fostering innovation, businesses can build a more prosperous and self-sustaining India. A thriving ecosystem leads to a skilled workforce, empowered entrepreneurs, and a stronger economy.

> The future we all want for ourselves is one of our own making.

Dheeraj Methwani
Director, Fidato Group

About Fidato Hotels

> We believe in creating a culture of excellence that fosters creativity, innovation and a passion for hospitality.

Founded in 2020, **Fidato Hotels** was born out of a vision to redefine hospitality in India. Emerging in the wake of the COVID-19 pandemic, we recognized the challenges faced by **independent hotel owners** and saw an opportunity to create a **trustworthy, results-driven** hospitality brand. Starting with just **five hotels**, we have rapidly expanded, and as we step into 2025, our network proudly spans **28 hotels** across India.

With **over 30 years of industry expertise** from our founding director and a **leadership team boasting a collective experience of over 200 years**, Fidato Hotels is built on a foundation of **knowledge, innovation, and deep market insight**. We understand the unique needs of hotel owners and investors, offering **tailored management solutions** that optimize profitability while delivering **unmatched guest experiences**.

Our portfolio includes a diverse range of **upscale, mid-scale, and budget-friendly hotels**, each designed to offer **authentic, memorable stays**. With a focus on **operational excellence, revenue growth, and brand positioning**, we provide **comprehensive hotel management services**, including:

- **Revenue & Yield Management** – Maximizing occupancy and profitability
- **Sales & Marketing** – Driving visibility and direct bookings
- **Food & Beverage Excellence** – Enhancing culinary experiences
- **Guest Experience & Service Innovation** – Elevating satisfaction and loyalty
- **Brand Development & Positioning** – Creating a distinct identity for each property

At **Fidato Hotels**, we are more than a hotel management company—we are **partners in success**. Our mission is to **empower independent hotel owners**, bridge the gap between operational challenges and profitability, and set new benchmarks of **trust, quality, and service excellence** in the Indian hospitality landscape.

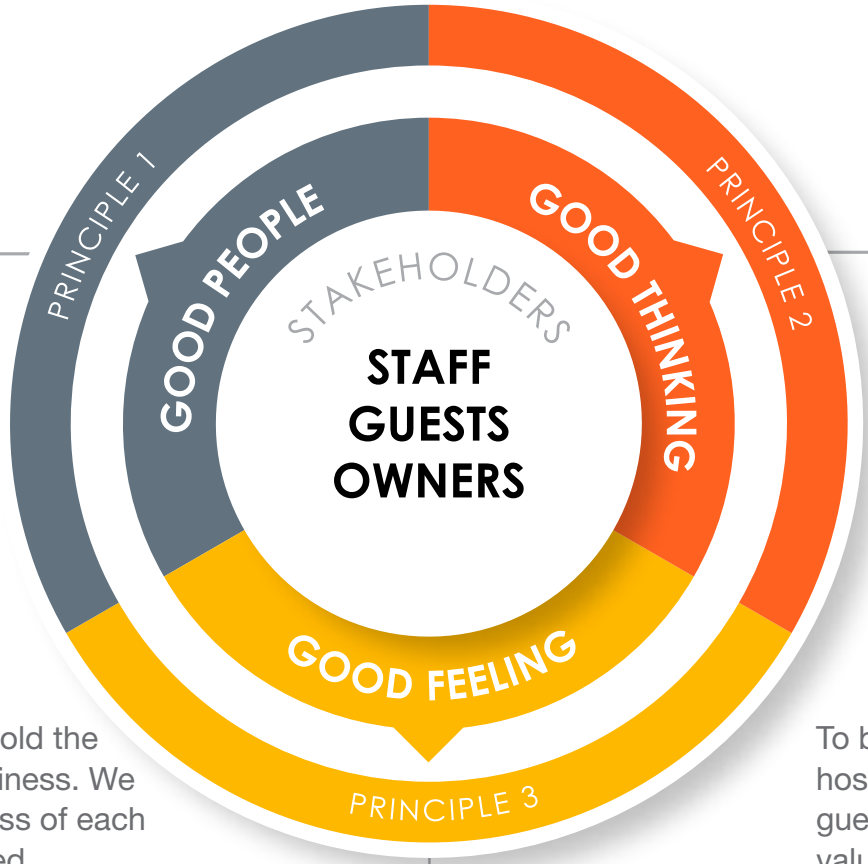

As we continue to expand, **Fidato Hotels stands as the new face of trusted hospitality, delivering exceptional experiences—one stay at a time.**

Our Brands

Our Brands

Our portfolio comprises three brands, each renowned for their exceptional quality and unwavering commitment to customer satisfaction. Spanning from Upper Midscale to Luxury, these brands have been meticulously crafted to deliver unforgettable guest experiences and outstanding performance. Catering to a diverse range of traveler segments, our three distinct brand categories are designed to meet the unique needs of every guest:

infinity

Target Audience: Discerning luxury travelers seeking exclusivity and premium experiences.

Positioning: High-end, full-service hotels offering personalized service, fine dining, and exclusive amenities. Infinity is where sophistication meets indulgence, creating unforgettable moments for our guests.

affinity

Target Audience: Mid-tier travelers who value comfort, convenience, and exceptional value.

Positioning: A perfect blend of quality and affordability, Affinity hotels provide a welcoming atmosphere, modern amenities, and reliable service, making them ideal for both leisure and business travelers.

xpress

Target Audience: Budget-conscious travelers and frequent business guests seeking efficiency and reliability.

Positioning: No-frills accommodations that prioritize comfort and convenience, Xpress hotels offer a seamless experience for guests who want simplicity without compromising on quality.

Brand Specifications Framework
